II. Basis for Jurisdiction

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

(If more than one defendant is named in the complaint, attach an additional page providing the same information for each additional defendant.)

3. The Amount in Controversy

The amount in controversy—the amount the plaintiff claims the defendant owes or the amount at stake—is more than \$75,000, not counting interest and costs of court, because (explain):

III. Statement of Claim

Write a short and plain statement of the claim. Do not make legal arguments. State as briefly as possible the facts showing that each plaintiff is entitled to the damages or other relief sought. State how each defendant was involved and what each defendant did that caused the plaintiff harm or violated the plaintiff's rights, including the dates and places of that involvement or conduct. If more than one claim is asserted, number each claim and write a short and plain statement of each claim in a separate paragraph. Attach additional pages if needed.

- 1) Appraisal District failed to provide critical state constitutional list and statutory definition thereby falling outside of its qualified constitutional and statutory guidelines.
- 2) State judge abused discretion by not producing the same list and definition in a findings of facts, violating due process.
- 3) Additionally both state district and appellate court judges receive stipends from Harris County thereby having the appearance of impropriety and partiality.
- 4) Failing to provide the above leads to an unreasonable seizure, deprivation of life, liberty and property without due process, and other violations under Section 1983 Title 42.

IV. Relief

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.

Plaintiff is requesting that this Court, if the two defendants will not or refuse to provide the list or defintion requested, certify two questions to the Texas Supreme Court:

- 1) Provide a list of properties that are "exempt as required" under Section 1(b) Article 8 Texas Constitution with the corollary of what properties are "exempt by law" under Section 11.01 of the Texas Tax Code.
- 2) Provide the definition of phrase of art "located in this state" under Sections 11.01 and 11.02 of the Texas Tax Code.

Enclosed as an attachment is the Plaintiff's request for the Findings of Fact and Conclusions of law (FOFCOL) Also tendered but not enclosed as an attachment is the notice of past due FOFCOL. As of this date there has been no answer provided by the state court.

Without said relief Plaintiff is being denied due process thereby causing an unreasonable seizure and other rights violations.

V. Certification and Closing

Under Federal Rule of Civil Procedure 11, by signing below, I certify to the best of my knowledge, information, and belief that this complaint: (1) is not being presented for an improper purpose, such as to harass, cause unnecessary delay, or needlessly increase the cost of litigation; (2) is supported by existing law or by a nonfrivolous argument for extending, modifying, or reversing existing law; (3) the factual contentions have evidentiary support or, if specifically so identified, will likely have evidentiary support after a reasonable opportunity for further investigation or discovery; and (4) the complaint otherwise complies with the requirements of Rule 11.

A. For Parties Without an Attorney
